You will be contacted as soon as possible.
# Table of Contents

**Prologue** ......................................................... 7

**I** 
1. Introduction ................................................. 13
   1.1. Research interest ........................................ 14
   1.2. Plan of the study ......................................... 16

**II** 
2. A schematic network theory of framing ......................... 19
   2.1. Context .................................................. 19
   2.2. Frames ..................................................... 22
   2.3. Communication & cognition ............................... 29
   2.4. Schemata .................................................. 37
   2.5. Framing processes ....................................... 42
   2.6. Framed information processing ............................ 49
   2.7. Beyond the frame ......................................... 53

**III** 
3. Case Selection ................................................ 57

**IV** 
4. Framing Effects ............................................... 63
   4.1. Expectations .............................................. 63
   4.2. Operationalization ....................................... 67
   4.3. Method .................................................... 69
   4.4. Results ................................................... 72
   4.5. Discussion ............................................... 82

**V** 
5. Frames in Communication .................................... 87
   5.1. Expectations .............................................. 87
   5.2. Operationalization ....................................... 89
   5.3. Method .................................................... 91
   5.4. Results ................................................... 96
   5.5. Discussion ............................................... 108

**VI** 
6. Frames in Cognition .......................................... 113
   6.1. Expectations .............................................. 114
   6.2. Approach .................................................. 116
   6.3. Method .................................................... 116
   6.4. Results ................................................... 121
   6.5. Discussion ............................................... 127
COMMUNICATION, CONTEXTUALIZATION, & COGNITION

IX     Annex                                      169

 IX.1  | Stimulus material ‘Frame Effects’         | 169 |
 IX.2  | Coding Guidelines ‘Frame Effects’         | 172 |
 IX.3  | Re-estimated ANCOVA ‘Frame Effects’       | 175 |
 IX.4  | Sample composition ‘Frames in Communication’  | 176 |
 IX.5  | Coding guidelines ‘Frames in Communication’  | 178 |
 IX.6  | Frame list ‘Frames in Communication’      | 185 |
 IX.7  | Agreement patterns ‘Frames in Communication’  | 192 |
 IX.8  | Moderator guidelines ‘Frames in Cognition’ | 194 |
 IX.9  | Coding guidelines ‘Frames in Cognition’   | 199 |
 IX.10 | Codebook ‘Frames in Cognition’            | 201 |
 IX.11 | Frame list ‘Frames in Cognition’          | 217 |
 IX.12 | Patterns of similarity ‘Frame Acquisition’ | 219 |
 IX.13 | Alternative representation ‘Frames in Cognition’ | 222 |
 IX.14 | Acronyms used within network representations | 223 |

X     Bibliography                               225

Nederlandse Samenvatting                         243
English Summary                                245
