Mandibular Advancement Device Therapy

in Obstructive Sleep Apnea

Ghizlane Aarab

Ghizlane Aarab was born on July 8, 1979, in Berkane, Morocco. In 1997, she obtained her high school diploma at the Stevin College, The Hague, The Netherlands. In the same year, Ghizlane started her dentistry study at the Academic Centre for Dentistry in Amsterdam (ACTA), The Netherlands. Starting in September 2001, she worked as a "student-assistant" at the department of Oral Kinesiology at ACTA. After graduating as a dentist in November 2002, she began a part-time PhD study at the same department. Further, from 2002, Ghizlane is working part-time as a dentist specialized in sleep medicine, orofacial pain, and restorative dentistry at a dental clinic in The Hague. Since February 2009, Ghizlane is an assistant professor at ACTA. She teaches at the undergraduate, graduate, and postgraduate levels. Moreover, she is currently the head of the clinic of Oral Kinesiology and is working on further research projects.
