Disclaimer/Complaints regulations

If you believe that digital publication of certain material infringes any of your rights or (privacy) interests, please let the Library know, stating your reasons. In case of a legitimate complaint, the Library will make the material inaccessible and/or remove it from the website. Please Ask the Library: <https://uba.uva.nl/en/contact>, or a letter to: Library of the University of Amsterdam, Secretariat, Singel 425, 1012 WP Amsterdam, The Netherlands. You will be contacted as soon as possible.

CURRICULUM VITAE

Dr. Daniele Manfredini received his DDS from the University of Pisa, Italy in 1999 and a MSc in Occlusion and Craniomandibular Disorders in 2001 from the same University. He was a clinical fellow with responsibilities in the coordination of research activities at the Section of Prosthetic Dentistry, Department of Neuroscience, University of Pisa, Italy until 2005. Since 2006, Dr. Manfredini has been Visiting Professor and coordinator of the research projects at the TMD Clinic, Department of Maxillofacial Surgery, University of Padova, Italy, where he holds teachings in Craniomandibular Disorders and Clinical Gnathology. He lectured at several national and international congresses. Dr. Manfredini authored more than seventy papers in the field of bruxism and temporomandibular disorders in journals indexed in the PubMed database and several book chapters in the field of bruxism and temporomandibular disorders. He also acts as a reviewer for many journals in the dental and orofacial pain field. Dr. Manfredini has edited the book “Current concepts on temporomandibular disorders” (Quintessence Publishing, 2010), with cooperation of forty-five world-renowned experts in the field of temporomandibular disorders.
