TABLE OF CONTENTS

Introduction 8
Outline of this thesis 9

PART I - Endoscopic Resection:

Chapter 1 12
Endoscopic resection of early oesophageal and gastric neoplasia.

Chapter 2 28
Do we still need endoscopic ultrasound (EUS) in the work-up of patients with early oesophageal neoplasia? A retrospective analysis of 131 cases.
*Gastrointest Endosc* 2011; 73: 662-668

Chapter 3 40
A randomized trial comparing the ER-cap technique and the multiband mucosectomy technique for piecemeal endoscopic resection of early Barrett’s neoplasia.
*Gastrointest Endosc* 2011; 74: 35-43

Chapter 4 56
Stepwise radical endoscopic resection for eradication of Barrett’s oesophagus with early neoplasia in a cohort of 169 patients.
*Gut* 2010; 59: 1169-1177

PART II - Radiofrequency Ablation:

Chapter 5 76
Radiofrequency ablation for total Barrett’s eradication: a description of the endoscopic technique, its clinical results and future prospects.
*Endoscopy* 2008; 40: 1033-1040

Chapter 6 92
Eradication of Barrett’s oesophagus with early neoplasia by radiofrequency ablation, with or without endoscopic resection.
*J Gastrointest Surg* 2008; 12: 1627-1636

Chapter 7 108
Efficacy of radiofrequency ablation combined with endoscopic resection for Barrett’s oesophagus with early neoplasia.
*Clin Gastroenterol Hepatol* 2010; 8: 23-29

Chapter 8 122
A multi-centre randomized trial comparing stepwise radical endoscopic resection versus radiofrequency ablation for Barrett’s oesophagus containing high-grade dysplasia and/or early cancer.
*Gut* 2011; 60: 766-773

Chapter 9 140
Radiofrequency ablation combined with endoscopic resection, for eradication of Barrett’s oesophagus containing early neoplasia in 130 patients: results of a European multicentre study [EURO-II].
Preliminary results of the EURO-II study, not submitted

Chapter 10 152
Properties of the neosquamous epithelium after radiofrequency ablation for Barrett epithelium with neoplasia.
*Am J Gastroenterol* 2009; 104: 1366-1373

Chapter 11 168
Pseudo-buried Barrett’s post radiofrequency ablation for Barrett’s oesophagus. Submitted

Future prospects 181
