Prognostic factors and late effects of treatment in localised high grade extremity osteosarcoma
Bramer, J.A.M.

Citation for published version (APA):
Bramer, J. A. M. (2010). Prognostic factors and late effects of treatment in localised high grade extremity osteosarcoma
Contents

CHAPTER 1: General introduction and outline of the thesis 9
   1.1 A short history of survival in osteosarcoma 11
   1.2 Changing challenges in osteosarcoma treatment 11
   1.3 The importance of individual prognostication and prognostic factors 13
   1.4 Outline of the thesis and research questions 14

CHAPTER 2: Prognostic factors in localized extremity osteosarcoma; A systematic review 21
   2.1 Introduction 23
   2.2 Methods 24
   2.3 Results 25
   2.4 Discussion 29

CHAPTER 3: Prognostic factors and late effects of treatment in pediatric non-metastatic osteosarcoma 39
   3.1 Introduction 41
   3.2 Patients and methods 41
   3.3 Results 43
   3.4 Discussion 50

CHAPTER 4: Color doppler ultrasound predicts chemotherapy response, but not survival in pediatric osteosarcoma 57
   4.1 Introduction 59
   4.2 Patients and methods 59
   4.3 Results 62
   4.4 Discussion 65

CHAPTER 5: Pre- and post-chemotherapy alkaline phosphatase as prognostic indicators in adults with localised osteosarcoma 71
   5.1 Introduction 73
   5.2 Patients and methods 73
   5.3 Results 75
   5.4 Discussion 80
CHAPTER 6: Do pathological fractures influence survival and local recurrence rate in bony sarcomas?

6.1 Introduction
6.2 Patients and methods
6.3 Results
6.4 Discussion

CHAPTER 7: Summary

7.1 Summary of introduction and general aim of the thesis
7.2 Summary of chapters 2 to 6

CHAPTER 8: General discussion and future perspectives

8.1 Increased survival, possibilities of reconstruction in limb saving surgery, and investment by the patient
8.2 Increased number of survivors and late effects of treatment
8.3 The importance of individual prognostication
8.4 General aim and scope of the thesis
8.5 Discussion of the chapters of the thesis
8.6 General remarks and future perspectives

CHAPTER 9: Recommendations

9.1 Recommendations for clinical practice
9.2 Recommendations for future research

CHAPTER 10: Nederlandse samenvatting en aanbevelingen

10.1 Samenvatting van introductie en doel van het proefschrift
10.2 Samenvatting van hoofdstuk 2 tot en met 6
10.3 Aanbevelingen voor de kliniek
10.4 Aanbevelingen voor toekomstig wetenschappelijk onderzoek

Acknowledgements

ADDENDUM: Overview of prognostic factors, reported in the literature from 1992 to 2006
