PhD Portfolio
ORAL PRESENTATIONS

Variation in phenotypic appearance of Graves’ disease: effect of genetic anticipation and duration of complaints.
Annual Meeting of the European Thyroid Association 2009, Lisbon, Portugal.

Differences in the genetic profile of risk for Graves’ disease in a Brazilian and in a Dutch population.
Annual Meeting of the European Thyroid Association 2009, Lisbon, Portugal.

Frequentie en karakteristieken van TBII-seronegatieve patiënten in een populatie met onbehandelde Graves hyperthyreoidie: een prospectieve studie.

Frequency and characteristics of TBII-seronegative patients with Graves’ hyperthyroidism.
Annual Meeting of the European Thyroid Association 2007, Leipzig, Germany.

POSTER PRESENTATION

Determinants of biochemical and clinical severity of Graves’ hyperthyroidism in newly diagnosed patients.

MEMBERSHIPS

2008 Dutch Endocrine Society
2009 Dutch Society of Internal Medicine

COURSES

2007, January: Practical Biostatistics, AMC Graduate School, Amsterdam
2007, February: Access Module 1, Academic Medical Center, Amsterdam
2007, April: Clinical Data Management, AMC Graduate School, Amsterdam
2007, May: Basic Course Legislation and Organization for Clinical Researchers (BROK), AMC Graduate School, Amsterdam
2007, June: Good Clinical Practice, Academic Medical Center, Amsterdam
2007, September: Advanced Biostatistics, AMC Graduate School, Amsterdam
