LIST OF PUBLICATIONS

Study protocol: population screening for colorectal cancer by colonoscopy or CT colonography: a randomized controlled trial.
BMC Gastroenterology 2010; 10:47

Colon tumors and colonoscopy.
T.R. de Wijkerslooth, E. Dekker
Endoscopy 2010; 42: 934-37

Strategies in screening for colon carcinoma. Review.
T.R. de Wijkerslooth, P.M. Bossuyt, T.R. de Wijkerslooth

Participation and yield of colonoscopy versus non-cathartic CT-colonography in population-based screening for colorectal cancer: a randomised controlled trial.

Adenoma detection with cap-assisted colonoscopy versus regular colonoscopy: a randomized controlled trial.
Gut 2012; 61:1426-34

Author response letter: Evaluating cap-assisted colonoscopy: the relevance of study design.
Gut 2012; 61:1517-18

Burden of colonoscopy compared to non-cathartic CT-colonography in a colorectal cancer screening program: randomized controlled trial.
Gut 2012; 61:1552-59
Implementation of population screening for colorectal cancer by repeated fecal immunochemical test (FIT): third round.
BMC Gastroenterology 2012; 12:73

Immunchemical fecal occult blood testing is equally sensitive for proximal and distal advanced neoplasia.
American Journal of Gastroenterology 2012; 107:1051-58

Face-to-face versus telephone pre-colonoscopy consultation in colorectal cancer screening; a randomized trial.
British Journal of Cancer 2012; 107:1051-58

Reasons for participation and non-participation in colorectal cancer screening: a randomized trial of colonoscopy and CT colonography.
American Journal of Gastroenterology 2012; 107: 1777-83

Differences in proximal serrated polyp detection between endoscopists are associated with variability in withdrawal time.
Gastrointestinal Endoscopy. Accepted for publication

Time required and health effects of participation in colorectal cancer screening with colonoscopy or CT colonography: in a randomized controlled trial.
Endoscopy. Accepted for publication

Informed decision making in colorectal cancer screening using colonoscopy or CT-colonography.
Patient Education and Counseling. Accepted for publication
