# Contents

1 Introduction  
  1.1 Motivation .................................................. 1  
  1.2 Method and contribution .................................. 3  
  1.3 Outline ....................................................... 5  

2 Context, design and incentives of the field experiments  
  2.1 Context ......................................................... 7  
  2.2 Design ......................................................... 8  
    2.2.1 Composition dynamics .................................. 14  
  2.3 Incentives .................................................... 15  

3 Gender diversity and team performance  
  3.1 Introduction .................................................. 17  
  3.2 Data .......................................................... 20  
    3.2.1 Gender diversity ........................................ 21  
    3.2.2 Other variables ......................................... 21  
    3.2.3 Randomization .......................................... 24  
  3.3 Results ....................................................... 26  
    3.3.1 Main findings ........................................... 26  
    3.3.2 Mechanisms .............................................. 31  
  3.4 Discussion and conclusion .................................. 34  

4 Ethnic diversity and team performance  
  4.1 Introduction .................................................. 35  
  4.2 Data .......................................................... 38  
    4.2.1 Ethnic diversity ........................................ 39  
    4.2.2 Other variables ......................................... 41  
    4.2.3 Randomization .......................................... 44  
  4.3 Results ....................................................... 44  
    4.3.1 Main findings ........................................... 44
