BIBLIOGRAPHY ON THE KAONDE AND KASEMPA DISTRICT

In this bibliography publications, both books and articles, in some way dealing with or referring (even if only a very short note) to the district and its population, have been compiled. Not included are general studies on Zambia, except some studies which more extensively refer to Kasempa District or the Kaonde population. The list of archive references refers to the main files available in the National Archives of Zambia, Lusaka; not included are references to archives elsewhere or to reports of the various mining- and exploration firms who have been active in the region. Concerning government reports only some comprehensive reports, in the field of agriculture, are listed.
