# About the author

**Curriculum vitae**

Christien Schilder is geboren op 29 december 1966 in Swalmen, Limburg. In 1985 behaalde zij haar VWO diploma aan de Katholieke Scholengemeenschap 'de Breul' in Zeist. In datzelfde jaar startte zij met de studie Bewegingswetenschappen aan de Vrije Universiteit te Amsterdam. Vanaf 1989 combineerde zij deze studie met de studie Psychologie, afstudeervariant Neuropsychologie, eveneens aan de Vrije Universiteit. Zij behaalde haar doctoraaldiploma Bewegingswetenschappen in 1990, liep in 1991 stage bij de afdeling Klinische Neuropsychologie van het VU Medisch Centrum en behaalde in 1992 haar doctoraaldiploma Psychologie. Na een jaar als psychomotorisch therapeut te hebben gewerkt in verpleeghuis Oostergouw te Zaandam, werkte zij van 1993 tot 2001 als neuropsycholoog bij de Ouderen- en Geheugenpolikliniek van het Psychiatrisch Centrum Amsterdam, tegenwoordig GGZ InGeest. Vanaf 1998 combineerde zij haar werkzaamheden met een functie als neuropsycholoog bij de GGZ Noord-Holland-Noord te Heiloo. In 2000 werd zij ingeschreven in het BIG-register voor Gezondheidszorgpsychologen. Van 2001 tot 2003 werkte zij als gezondheidszorgpsycholoog bij het Dementie Onderzoeks- en Casemanagement team (DOC-team) in Alkmaar. In juni 2003 startte zij bij het Nederlands Kanker Instituut als Onderzoeker in Opleiding met het onderzoek dat in dit proefschrift beschreven is. Vanaf 2009 werkt zij tevens aan een vervolg op deze studie. In 2010 verwacht zij haar registratie als Klinisch Neuropsycholoog te verkrijgen.

Christien Schilder was born on December 29, 1966 in Swalmen, The Netherlands. In 1985 she graduated from secondary school (VWO) at the 'Katholieke Scholengemeenschap de Breul' in Zeist. In that year she started with the study Human Movement Sciences at the Free University in Amsterdam. From 1989 she combined this study with the study Psychology, main subject Neuropsychology, also at the Free University. In 1990 she graduated from the study Human Movement Sciences. In 1991 she did her internship Clinical Neuropsychology at the Free University Medical Center in Amsterdam and graduated from the study Psychology in 1992. After working as a psychomotor therapist in nursing home "Oostergouw' in Zaandam for the period of one year, she worked from 1993 to 2001 as a Neuropsychologist at the mental health clinic 'GGZ InGeest' in Amsterdam. From 1998, she combined this job with a position as a Neuropsychologist at the Mental Health Clinic 'GGZ Noord-Holland Noord' in Heiloo. In 2000 she was registered as a Health Care Psychologist. From 2001 to 2003, she worked as a Health Care Psychologist for an ambulant team for care for dementia patients (DOC-team) in Alkmaar. In June 2003 she started at the Netherlands Cancer Institute in Amsterdam her PhD-project, resulting in the present thesis. From 2009, she also works on a continuation of this research project. In 2010 she expects to be registered as a Clinical Neuropsychologist.
