Correction to Fransen et al. (2023)

In the article entitled “Sixty years later: A replication study of McGuire’s first inoculation experiment” by Fransen, M. L., Mollen, S., Rains, S. A., Das, E., & Vermeulen, I. (*Journal of Media Psychology*, 2023, <https://doi.org/10.1027/1864-1105/a000396>), the first name of the author Stephen A. Rains has been misspelled on p. 1.

It should correctly read as follows:

Marieke L. Fransen¹, Saar Mollen²,
Stephen A. Rains³, Enny Das⁴,
and Ivar Vermeulen⁵

¹Behavioural Science Institute, Department of Communication Science, Radboud University, Nijmegen, The Netherlands

²Amsterdam School of Communication Research (ASCoR), University of Amsterdam, The Netherlands

³Department of Communication, University of Arizona, Tucson, AZ, USA

⁴Centre for Language Studies, Department of Language and Communication, Radboud University, The Netherlands

⁵Communication Science, Vrije Universiteit Amsterdam, The Netherlands

The authors regret any inconvenience or confusion this error may have caused.
