# Contents

**Chapter 1** General introduction

**Part I – Current concepts**

Chapter 2  Treatment of osteochondral defects of the talus  
Chapter 3  Advancements in ankle arthroscopy  

**Part II – Primary arthroscopic debridement and bone marrow stimulation**

Chapter 4  Computed tomography of the ankle in full plantar flexion: a reliable method for preoperative planning of arthroscopic access to osteochondral defects of the talus  
Chapter 5  Arthroscopic accessibility of the talus quantified by computed tomography simulation  
Chapter 6  Arthroscopic treatment of osteochondral defects of the talus: outcomes after 8 to 20 years of follow-up  
Chapter 7  Potential pitfall in the microfracturing technique during the arthroscopic treatment of an osteochondral lesion  
Chapter 8  Pulsed electromagnetic fields after arthroscopic treatment for osteochondral defects of the talus: double-blind randomized controlled multicenter trial  

**Part III – Secondary surgical treatment with a metal resurfacing inlay implant**

Chapter 9  Novel metallic implantation technique for osteochondral defects of the talus: a cadaver study  
Chapter 10  Treatment of secondary osteochondral defects of the talus with a metal resurfacing inlay implant: a prospective study  
*Bone Joint J* in press.
Chapter 11  Direction of the oblique medial malleolar osteotomy for exposure of the talus.  
*Arch Orthop Trauma Surg* 2011;131:893-901.

Chapter 12  Clinical tip: aiming probe for a precise medial malleolar osteotomy  
*Foot Ankle Int* 2012;33:764-6.

### Part IV – Alternative treatment

Chapter 13  Osteochondral defects of the talus: a novel animal model in the goat  

Chapter 14  Demineralized bone matrix and platelet-rich plasma do not improve healing of osteochondral defects of the talus: an experimental goat study  

### Part V – Outcome measures

Chapter 15  Outcome measures  
*Talar OCD. With special emphasis on diagnosis, planning and rehabilitation* in press.

Chapter 16  Translation and validation of the German Foot and Ankle Outcome Score  
Submitted.

### General discussion and summary

Chapter 17  General discussion  
Summary  
Nederlandse samenvatting

### Addendum
