- Academic Medical Centre, department Clinical Epidemiology Biostatistics and Bioinformatics, 2010; oral presentation entitled: ‘Prevalence of latent tuberculosis infection in immigrants in the Netherlands: screening using a new tool’
- Retraite PhD candidates affiliated to the Center of Infection and Immunity Amsterdam, 2009; oral presentation entitled: ‘Prevalence of latent tuberculosis infection in immigrants in the Netherlands: screening using a new tool’
- Retraite PhD candidates affiliated to the Center of Infection and Immunity Amsterdam, 2008; oral presentation entitled: ‘Optimization of tuberculosis control in the Netherlands’
- Conference of the Netherlands Epidemiology Society, 2009, Amsterdam; oral presentation entitled: ‘Prevalentie van latente tuberculose in immigranten in Nederland: screening met gebruik van een nieuwe test in een case-base design.’

Courses

AMC Graduate School
- Handling the media, 2012
- Research and Finance, 2012
- Oral presentation, 2010
- Qualitative health research, 2010
- Scientific writing in English for publication, 2010
- Practical biostatistics, 2010
- Clinical epidemiology: the essentials, 2009
- Advanced topics in clinical epidemiology, 2009
- Infectious diseases, 2009
- Project management, 2009
- The AMC world of science, 2008

Other
- Methodology of Health Economic Evaluation, 2011, Julius Center
- Infectious diseases dynamics in small populations, 2011, NIHES
- Missing data and multiple imputation, 2010, EMGO Institute
- Training workshop (NVivo), 2009, QSR International

Awards and grants
- Young scientist award for abstract submitted to European Respiratory conference, 2009
- Spinoza grant to attend Union World Conference on Lung Health in 2011
- NWO incentive fund to publish manuscript open access in European Respiratory Journal in 2012

Supervision students
- Supervised student on her Master of Science thesis for her study Health Sciences, differentiation ‘Infectious Diseases’, at the VU University.
