You will be contacted as soon as possible.
# TABLE OF CONTENTS

1 - Introduction....................................................................................................... - 7 -

2 - Hyperspectral imaging for non-contact analysis of forensic traces........ - 13 -

3 - Reflectance spectroscopy and hyperspectral imaging for the identification of blood stains................................................................. - 43 -

4 - Hyperspectral imaging for the age estimation of blood stains at the crime scene.................................................................................. - 63 -

5 - Practical implementation of blood stain age estimation ....................... - 79 -

6 - Visualization of latent blood stains using visible reflectance hyperspectral imaging and chemometrics............................................ - 97 -

7 - Identification and age estimation of blood stains on coloured backgrounds by near infrared spectroscopy........................................... - 111 -

8 - Infrared imaging of the crime scene: possibilities and pitfalls................. - 131 -

9 - Discussion...................................................................................................... - 149 -

10 - References.................................................................................................. - 169 -

11 - Summary ................................................................................................... - 189 -

12 - Samenvatting .............................................................................................. - 191 -

13 - Curriculum vitae.......................................................................................... - 195 -

14 - Portfolio ..................................................................................................... - 196 -

15 - List of publications...................................................................................... - 198 -

16 - Dankwoord.................................................................................................. - 201 -
