You will be contacted as soon as possible.

Curriculum Vitae

Elena Rampanelli was born on September 5th, 1983 in Trento, Italy. In 2005, she received her Bachelor's Degree in Biotechnology (Faculty of Science, University of Bologna, Italy). The Master's Degree in Medical Biotechnology (Faculty of Medicine, University of Bologna, Italy) was obtained in 2008. During her studies, she carried out scientific research in the Oncology Research Laboratory of Dr. Katia Scotlandi (Musculoskeletal Oncology Department, Rizzoli Orthopedic Institute, Bologna, Italy) and in the Tumor Immunology Laboratory of Dr. Rajiv Khanna (Queensland Institute of Medical Research, Brisbane, Australia). In December 2008, she started her PhD in the Pathology Department of the Academic Medical Center (AMC, University of Amsterdam) under the supervision of Prof. Dr. MD Sandrine Florquin and Dr. Jaklien C. Leemans. The results of her PhD research project are described in this thesis. Since September 2013, she is working in the Department of Clinical Chemistry and Laboratory Medicine (University Hospital of Regensburg, Germany) headed by Prof. Dr. MD Gerd Schmitz. Her stay in Germany is the result of a collaboration between Dr. Jaklien C. Leemans (Pathology Department, AMC) and Prof. Dr. MD Gerd Schmitz.
