ACKNOWLEDGMENTS

I would want to start by thanking my parents, who have taught me to trust my own judgment and the importance of persevering, and my wife Muriel and my children Saro and Morane, who have given me the energy I needed to see this through to the end.

I owe many thanks to my *promotor* Joe McCahery, particularly for helping me improve my writing and argumentation, and I must also thank my *promotor* Arnoud Boot. Finally, I am thankful to the members of the *promotie commissie*, who all made comments that allowed me to considerably improve my work.
