LIST OF FIGURES ............................................................................................................. VI  
LIST OF TABLES ................................................................................................................ VII

CHAPTER 1  
CHANGING WEST-EUROPEAN TELEVISION SYSTEMS IN COMPARATIVE PERSPECTIVE:  
*A THEORETICAL AND METHODOLOGICAL DISCUSSION* .................................................. 1  
1.1. INTRODUCTION ......................................................................................... 1  
1.2. HISTORY OF WEST-EUROPEAN BROADCASTING IN A SNAPSHOT ............. 4  
1.3. THEORETICAL AND METHODOLOGICAL IMPLICATIONS OF THE LIBERALISATION PROCESS IN TELEVISION SYSTEMS ......................................................... 9  
  1.3.1. Convergence in broadcasting: do national comparisons still make sense?........... 9  
  1.3.2. The recursive nature of media structure: The intrinsic relations between supply and demand ........................................................................................................ 13  
  1.3.3. The relevance of advertising dependency as a characteristic of the television environment ................................................................................................................... 18  
  1.3.4. The relevance of audience fragmentation .............................................................. 19  
1.4. STRUCTURE OF THE THESIS .................................................................... 24  

CHAPTER 2  
CONVERGENCE OF WEST-EUROPEAN BROADCASTING SYSTEMS 1980-2008 .......... 27  
2.1. INTRODUCTION ..................................................................................... 28  
2.2. THEORETICAL BACKGROUND .................................................................. 30  
  2.2.1. The advertising dependency of the television system ......................................... 32  
  2.2.2. Competition and audience fragmentation .......................................................... 33  
2.3. DATA AND MEASURES .......................................................................... 35  
  2.3.1. Measuring advertising dependency and competition ....................................... 36  
  2.3.2. Data ..................................................................................................... 38  
2.4. RESULTS ............................................................................................... 41  
  2.4.1. Convergence? ..................................................................................... 41  
  2.4.2. How do the television systems differ in the 2000s? ....................................... 48  
2.5. DISCUSSION .......................................................................................... 50
