LIST OF FIGURES ................................................................................................................ VI
LIST OF TABLES ................................................................................................................... VII

CHAPTER 1
CHANGING WEST-EUROPEAN TELEVISION SYSTEMS IN COMPARATIVE PERSPECTIVE:
A THEORETICAL AND METHODOLOGICAL DISCUSSION ..................................................... 1

1.1. INTRODUCTION ................................................................................................................. 1
1.2. HISTORY OF WEST-EUROPEAN BROADCASTING IN A SNAPSHOT ......................................... 4
1.3. THEORETICAL AND METHODOLOGICAL IMPLICATIONS OF THE LIBERALISATION PROCESS IN
TELEVISION SYSTEMS .................................................................................................................. 9
1.3.1. Convergence in broadcasting: do national comparisons still make sense? ....................... 9
1.3.2. The recursive nature of media structure: The intrinsic relations between supply and
demand .................................................................................................................................... 13
1.3.3. The relevance of advertising dependency as a characteristic of the television
environment ......................................................................................................................... 18
1.3.4. The relevance of audience fragmentation ........................................................................... 19
1.4. STRUCTURE OF THE THESIS ............................................................................................... 24

CHAPTER 2
CONVERGENCE OF WEST-EUROPEAN BROADCASTING SYSTEMS 1980-2008 ..................... 27

2.1. INTRODUCTION .................................................................................................................. 28
2.2. THEORETICAL BACKGROUND ............................................................................................ 30
2.2.1. The advertising dependency of the television system ....................................................... 32
2.2.2. Competition and audience fragmentation .......................................................................... 33
2.3. DATA AND MEASURES ........................................................................................................ 35
2.3.1. Measuring advertising dependency and competition ....................................................... 36
2.3.2. Data .................................................................................................................................. 38
2.4. RESULTS ............................................................................................................................. 41
2.4.1. Convergence? .................................................................................................................... 41
2.4.2. How do the television systems differ in the 2000s? .......................................................... 48
2.5. DISCUSSION ....................................................................................................................... 50
CHAPTER 3
SENSATIONALISM IN NEWS COVERAGE:
A COMPARATIVE STUDY IN 14 TELEVISION SYSTEMS AND 29 TELEVISION STATIONS......57

3.1. INTRODUCTION ................................................................. 58
3.2. THEORETICAL BACKGROUND .............................................. 59
  3.2.1. Characterising the television systems ............................................. 59
3.2.2. Sensationalism in news coverage .................................................... 62
3.3. HYPOTHESES .................................................................... 64
3.4. CONTENT ANALYSIS ................................................................ 68
3.5. RESULTS ............................................................................ 73
  3.5.1. Descriptive evidence ............................................................... 73
  3.5.2. Explaining sensationalism ........................................................... 77
3.6. DISCUSSION ....................................................................... 84

CHAPTER 4
POLITICAL COMPETITION IN A FRAGMENTED MEDIA ENVIRONMENT:
THE IMMIGRATION ISSUE .................................................................. 89

4.1. INTRODUCTION .................................................................. 90
4.2. A CHANGED MEDIA ENVIRONMENT ......................................... 92
4.3. PARTY RESPONSES AND THE ISSUE OF IMMIGRATION .......... 93
4.4. THE PARTY SYSTEM LEVEL: THE RELATIVE SALIENCY OF THE IMMIGRATION ISSUE IN COMPARISON WITH OTHER ISSUES .......... 95
4.5. PARTY LEVEL ...................................................................... 96
  4.5.1. Imitation as a competition strategy ................................................. 96
  4.5.2. Differentiation and distinction as a competition strategy ....................... 99
  4.5.3. Party size and the choice of imitation or distinction ................................. 102
4.6. CONTROL VARIABLES: POLITICAL AND SOCIETAL CHARACTERISTICS .......... 103
4.7. DATA AND OPERATIONALISATION ........................................... 104
4.8. RESULTS ........................................................................... 105
  4.8.1. The party system level: The relative importance of the immigration .......... 105
  4.8.2. The party level: Position and saliency ............................................. 108
4.9. CONCLUSION .................................................................... 113
