## CHAPTER 1

### CHANGING WEST-EUROPEAN TELEVISION SYSTEMS IN COMPARATIVE PERSPECTIVE:

#### A THEORETICAL AND METHODOLOGICAL DISCUSSION

1. Introduction ........................................................................................................................................ 1

1.2. History of West-European Broadcasting in a Snapshot ...................................................................... 4

1.3. Theoretical and Methodological Implications of the Liberalisation Process in Television Systems ...

1.3.1. Convergence in broadcasting: do national comparisons still make sense? ....................................... 9

1.3.2. The recursive nature of media structure: The intrinsic relations between supply and demand ........................ 13

1.3.3. The relevance of advertising dependency as a characteristic of the television environment .............. 18

1.3.4. The relevance of audience fragmentation ......................................................................................... 19

1.4. Structure of the Thesis .................................................................................................................. 24

## CHAPTER 2

### CONVERGENCE OF WEST-EUROPEAN BROADCASTING SYSTEMS 1980-2008

2.1. Introduction ................................................................................................................................. 27

2.2. Theoretical Background ........................................................................................................... 28

2.2.1. The advertising dependency of the television system ...................................................................... 30

2.2.2. Competition and audience fragmentation ..................................................................................... 32

2.3. Data and Measures .................................................................................................................... 33

2.3.1. Measuring advertising dependency and competition ....................................................................... 35

2.3.2. Data ........................................................................................................................................... 36

2.4. Results ......................................................................................................................................... 38

2.4.1. Convergence? ............................................................................................................................ 41

2.4.2. How do the television systems differ in the 2000s? ....................................................................... 48

2.5. Discussion ................................................................................................................................ 50
# CHAPTER 3

**SENSATIONALISM IN NEWS COVERAGE:**

*A COMPARATIVE STUDY IN 14 TELEVISION SYSTEMS AND 29 TELEVISION STATIONS*......57

3.1. INTRODUCTION ..................................................................................58
3.2. THEORETICAL BACKGROUND......................................................................59
3.2.1. Characterising the television systems ......................................................59
3.2.2. Sensationalism in news coverage ..............................................................62
3.3. HYPOTHESES ......................................................................................64
3.4. CONTENT ANALYSIS ..............................................................................68
3.5. RESULTS ..............................................................................................73
   3.5.1. Descriptive evidence ...........................................................................73
   3.5.2. Explaining sensationalism ....................................................................77
3.6. DISCUSSION .........................................................................................84

# CHAPTER 4

**POLITICAL COMPETITION IN A FRAGMENTED MEDIA ENVIRONMENT:**

*THE IMMIGRATION ISSUE* ........................................................................89

4.1. INTRODUCTION ..................................................................................90
4.2. A CHANGED MEDIA ENVIRONMENT ........................................................92
4.3. PARTY RESPONSES AND THE ISSUE OF IMMIGRATION .........................93
4.4. THE PARTY SYSTEM LEVEL: THE RELATIVE SALLIENCY OF THE IMMIGRATION ISSUE IN COMPARISON WITH OTHER ISSUES ..................................................95
4.5. PARTY LEVEL .......................................................................................96
   4.5.1. Imitation as a competition strategy ......................................................96
   4.5.2. Differentiation and distinction as a competition strategy .......................99
   4.5.3. Party size and the choice of imitation or distinction ............................102
4.6. CONTROL VARIABLES: POLITICAL AND SOCIETAL CHARACTERISTICS .103
4.7. DATA AND OPERATIONALISATION ..................................................................104
4.8. RESULTS ..........................................................................................105
   4.8.1. The party system level: The relative importance of the immigration ..........105
   4.8.2. The party level: Position and saliency ..................................................108
4.9. CONCLUSION ...................................................................................113
