Disclaimer/Complaints regulations
If you believe that digital publication of certain material infringes any of your rights or (privacy) interests, please let the Library know, stating your reasons. In case of a legitimate complaint, the Library will make the material inaccessible and/or remove it from the website. Please Ask the Library: http://uba.uva.nl/en/contact, or a letter to: Library of the University of Amsterdam, Secretariat, Singel 425, 1012 WP Amsterdam, The Netherlands. You will be contacted as soon as possible.
List of publications

2. “High angular resolution observations towards OMC-2 FIR 4: Dissecting an intermediate-mass protocluster”, López-Sepulcre et al., submitted to A&A

5. “The thermal structure and the location of the snow line in the protosolar nebula: Axisymmetric models with full 3-D radiative transfer”, Min, Dullemond, Kama & Dominik, 2011, Icarus, 212, 416

7. “Herschel/HIFI observations of spectrally resolved methylidyne signatures toward the high-mass star-forming core NGC 6334I”, van der Wiel et al., 2010, A&A, 521, L43
