Preface xii

1. INTRODUCTION 1
  Health insurance in Ghana: A brief overview 3
  Healthcare delivery and seeking care under the NHIS 11
  Research objective and questions 14
  Significance of the study 15
  Theoretical framework and concepts 17
  Outline of the study 29

2. STUDY DESIGN, FIELDWORK AND METHODOLOGICAL ISSUES 31
  Introduction 31
  Study design 31
  Study setting 34
  Quantitative data collection 39
  Quantitative data analysis 40
  Qualitative data collection 41
  Qualitative data analysis 45
  Double role of the researcher: An asset or hindrance? 46
  Ethical issues 52

3. BARRIERS AND ENABLERS TO ENROLMENT AND RETENTION IN THE NATIONAL HEALTH INSURANCE SCHEME IN GHANA 55
  Introduction 55
  Barriers experienced by community members 56
  Barriers experienced by healthcare providers 73
  Barriers experienced by staff of District Health Insurance Schemes 75
  Effects of politics on enrolment 80
  Factors that encouraged enrolment in the NHIS and renewal of membership 85
  Conclusion 88
4. CREATING PROBLEM-SOLVING GROUPS 91
   Introduction 91
   Steps and activities in problem-solving group formation 92
   Profile of PSGs’ members 109
   Selection of facilitators 112
   Training the PSG facilitators 114
   Reflection on the selection of PSG members and facilitators 115
   Conclusion 119

5. HOW DID PROBLEM-SOLVING GROUPS WORK? 121
   Introduction 121
   Problem-solving process 122
   Intervention activities at the community level 133
   Intervention activities at the health provider level 140
   Intervention activities at the district health insurance scheme level 144
   Reflections on problem-solving sessions 147
   Conclusion 148

6. THE EFFECT OF THE MULTI-STAKEHOLDER PROBLEM-SOLVING
   PROGRAMME ON ENROLMENT 151
   Introduction 151
   Phases of the study and overview of the MSPSP 151
   Effect of the MSPSP on health providers 152
   Effect of the MSPSP on District Health Insurance Schemes’ staff 156
   Effect of the MSPSP on community members 158
   Post-intervention survey results 161
   Conclusion: Dialogue among stakeholders and trust 163

7. FACTORS THAT ENHANCED PROBLEM-SOLVING GROUPS’
   ACHIEVEMENTS 165
   Introduction 165
   Facilitation approaches 166
   Engaging stakeholders in leadership and professional roles 170
   Supervision of PSGs: regional and local 172
   Motivation of PSG members 174
   PSG members’ levels of participation 174
   Conclusion 175
8. FACTORS THAT LIMITED PROBLEM-SOLVING GROUPS’ ACHIEVEMENTS 177
   Introduction 177
   Factors that impeded the PSGs’ functioning 177
   Why problem-solving groups failed to achieve maximum impact 180
   Conclusion 192

9. DISCUSSION AND CONCLUSIONS 193
   Introduction 193
   Understanding the findings 195
   Re-examining low enrolment and retention 203
   Challenges to healthcare delivery 204
   Politicisation of health insurance 207
   Not reaching the poor 209
   “I’m not often sick”: Adverse selection 215
   Conclusions 218
   Recommendations 221
   Implications for future research 225
