[Agony] Welcome to reality, be ready for the pain
[Passion] Rise up and show the world you can be a better man
[Reason] Welcome to reality, you've made the right choice
[Pride] Rise up and show the world your battle is won

[Love] Follow your heart, you can't go wrong

[Fear] It all seems so unreal to you
Can you decide what to do?
[Me] Yes I can, oh I will survive
Look at me...I'm alive
