geboren te Amsterdam
The Netherlands Cooperative Study on the Adequacy of Dialysis (NECOSAD) was initiated by the Dialyse Groep Nederland. The studies presented in thesis have been prepared in the Renal Unit, Department of Medicine and in the Department of Clinical Epidemiology & Biostatistics, Academic Medical Center, University of Amsterdam, and at the NECOSAD Office, Dianet, Amsterdam, the Netherlands.

The financial support for these studies was provided by the Dutch Kidney Foundation (Nierstichting Nederland), grant E93.018.
