Chapter 1 General introduction and aim of this thesis

1.1 Introduction on AFASD
1.2 Types of glenohumeral dislocation
1.3 Pathology of AFASD
1.4 Arthroscopy and AFASD
1.5 Recurrence of AFASD
1.6 Immobilisation and rehabilitation after AFASD
1.7 Associated lesions of AFASD
   1.7.1 Fractures
   1.7.2 Vascular injury
   1.7.3 Rotator cuff rupture
   1.7.4 Nerve injury
1.8 Sport and AFASD
1.9 Treatment of AFASD
1.10 Glenohumeral osteoarthrosis following AFASD
1.11 Costs related to AFASD
1.12 Aim of this thesis

Chapter 2 Classification of shoulder instability

Chapter 3 Epidemiology of acute first-time anterior shoulder dislocation

3.1 Incidence of acute shoulder dislocation (survey of international literature)
3.2 Incidence of acute shoulder dislocation in the Netherlands
3.3 Incidence of acute first-time shoulder dislocation in specific populations
3.4 Admission of patients with shoulder dislocation in Dutch hospitals
3.5 Summary

Chapter 4 The acute first-time shoulder dislocation in children and elderly patients.

4.1 The acute first-time anterior shoulder dislocation in children
4.2 The acute first-time anterior shoulder dislocation in elderly patients
Chapter 5  Reduction techniques of anterior shoulder dislocation, a historical review

Chapter 6  Systemic review on reduction techniques of acute anterior shoulder dislocations

Chapter 7  Questionnaire reveals variations in management of acute first-time shoulder dislocations (AFSD) in the Netherlands

Chapter 8  Evaluation of radiographs in acute first-time anterior shoulder dislocations

Chapter 9  A prospective arthroscopic study of acute first-time anterior shoulder dislocation in the young

Chapter 10  Prognosis of the acute first-time anterior shoulder dislocation. A Dutch experience

Chapter 11  A fracture of the coracoid process, the greater tuberosity and the glenoid rim after an acute first-time anterior shoulder dislocation

Chapter 12  Summary and closing remarks / Samenvatting

Chapter 13  Dankwoord / Acknowledgement

Chapter 14  Curriculum Vitae

Chapter 15  Publications of the author
