Contents

1 Introduction ........................................... 1
   1.1 Strategic Real Options .......................... 3
   1.2 Overview ........................................ 5

2 Strategic Advantage and the Optimal Exercise of Entry Options 7
   2.1 Introduction ..................................... 7
   2.2 The basic model .................................. 10
       2.2.1 Product Market Interactions ............... 11
   2.3 The dynamic game ................................ 13
       2.3.1 Optimal Entry of the Follower .............. 14
       2.3.2 Optimal Entry as Leader .................... 15
   2.4 Uncertainty analysis ......................... 21
   2.5 The Ex-ante Value of the Platform ............ 26
       2.5.1 Strong Strategic Advantage ................. 26
       2.5.2 Weak Strategic Advantage .................... 28
   2.6 Conclusions ..................................... 29
   2.A Competition analysis ......................... 31
       2.A.1 Parallel monopoly .......................... 31
       2.A.2 Duopoly in both markets (parallel duopoly) 31
       2.A.3 Asymmetric competition ....................... 32
   2.B Timing of entry .................................. 33
   2.C Strategic entry value of a monopolist entry option 33
   2.D Pre-emptive entry by the platform firm ....... 35

3 Equity Carve-outs as Acquisitions of Strategic Real Options 37
   3.1 Introduction ...................................... 37
   3.2 The model ........................................ 43
       3.2.1 The Time Structure ......................... 43
       3.2.2 The basic model ............................. 46
   3.3 Effect of uncertainty on timing of financial decision 51
   3.4 Extensions ....................................... 51
       3.4.1 Optimal share retained ....................... 51
       3.4.2 The effect of the non-zero drift term ........ 53
3.5 Concluding Remarks .................................................. 55
3.A Proof Proposition 3.1 .................................................. 57
3.B Properties of entry benchmarks ..................................... 59
3.C Proof Proposition 3.2 .................................................. 60
3.D Proof Proposition 3.4 .................................................. 61
3.E Proof Proposition 3.3 and 3.5 ....................................... 61
3.F Proof Proposition 3.6 .................................................. 62
3.G Proof Proposition 3.7 .................................................. 63
3.H Proof Proposition 3.8 .................................................. 63
3.I Proof Proposition 3.9 .................................................. 63
3.J The range of $s_B^*$ and $s_S^*$ in case of $\mu \neq 0$ .......... 63

4 The Price of Rapid Exit in Venture-backed IPOs ................. 65
  4.1 Introduction ......................................................... 65
  4.2 The "hot issue" market model ................................... 73
    4.2.1 The time structure ........................................... 73
    4.2.2 IPO exit with uncertainty only on the IPO firm value ...... 74
    4.2.3 Double asymmetric information .............................. 76
  4.3 The Venture Capitalist ............................................ 78
    4.3.1 The Contract between Venture Capitalist and the Entrepreneur 79
    4.3.2 Venture capitalist and entrepreneur contracting and the IPO 81
  4.4 Analysis of the results and empirical implications .......... 84
    4.4.1 Signalling the IPO firm value .............................. 84
    4.4.2 Signalling the value of the new venture .................... 84
  4.5 Extension: the optimal timing for the venture capitalist .... 86
  4.6 Conclusions ........................................................ 87
  4.A Proof Proposition 4.1 ............................................. 88
  4.B Proof Proposition 4.2 ............................................. 89
  4.C Proof Proposition 4.3 ............................................. 90
  4.D Proof of Proposition 4.4 ......................................... 91
  4.E Proof of Proposition 4.5 ......................................... 92
  4.F Proof of Proposition 4.6 ......................................... 93

Bibliography ............................................................... 95

Nederlandse samenvatting (Summary in Dutch) .......................... 103
