There are many people to whom I wish to express my gratitude for their support during the preparation of this thesis.

Prof. Guido N.J. Tytgat. Your help & support in the preparation of this thesis is very important for me. Your discipline and daily hard work in the field of gastroenterology have encouraged and astounded me so much. I feel privileged and honoured to be your student and your promovendus, to be able to study for my degree of doctor at your division. Thank you for being my promotor.

Prof. Daldiyono Hardjodisastro. You are my teacher who always guided me to be a good medical doctor and scientist. This thesis was encouraged by your advice and your help too. I am very grateful to you for the opportunity to become a gastroenterologist and a consultant in your division. Thank you for being my copromotor.

Dr. Laurentius Lesmana. You are my teacher who always helped me in my daily practice and activities. I am very grateful for your help in the preparation of this thesis and for the acceptance to be my copromotor.

Prof. FJW ten Kate. Your daily hard work in the pathology department has astounded me so much too. I feel privileged and honored to be your student.

Prof. Lisbeth Mathus Vliegen, thank you for the help & support for me so that I could study the endoscopic procedures in the Department of Gastroenterology University of Amsterdam.

Dr. Vera Joewono, Dr. Wirasmi Marwoto. Your discipline, hard work and kindness in the Pathology Anatomy Department has encouraged me to do this study. Thank you for the help in diagnosing the histopathological abnormalities of this study. I feel honored to study in the department of pathology and anatomy.

Dr. Iwan Ariawan. You are my friend and teacher in analyzing the statistical data of my studies. Thank you for your help & support.

Drs. Zatni Arbi. My best friend, who helped me in the correction of English language & words of this thesis. Thank you for your help.

Prof. Ronald Wanders, Gerit Jan. I was very honored to be able to work in the Clinical Chemistry Department in analyzing the enzyme concentrations of the small intestine biopsy specimens. Your help & kindness have encouraged me to work harder in this research.

Dr. Tom Van Gool, I am very grateful for your help in the examination of candida infection of the small bowel. Your support is very important for this study and thesis.

Dr. Reño, I am very grateful for your help in the stool examinations of parasites especially candida infection of patients with chronic diarrhea. I hope that in the future we can do more studies on stool parasites in chronic diarrhea patients.

Dr. H. Abdul Aziz Rani The head of the Department of Internal Medicine, Faculty of Medicine University of Indonesia / Cipto Mangunkusumo Hospital, who approved my intention to do this research to achieve the degree of doctor at the University of Amsterdam the Netherlands.

Dr. H.Chudahan Manan, head of the division of gastroenterology, Department of Internal Medicine, Faculty of Medicine, University of Indonesia/Cipto Mangunkusumo Hospital, who permitted me to work for the degree of doctor at the University of Amsterdam, The Netherlands.

Dr. Dharmika Djojoningrat, Dr.H.Dadang Makmun, Dr. H.Murdani Abdullah, Dr. Ari Fahrial Syam, my colleagues in the division of gastroenterology, Department of Internal Medicine, Faculty of Medicine, University of Indonesia/Cipto Mangunkusumo Hospital, who have helped & supported me in the studies of this thesis

Dr. Rudolf Simadibrata K. & Mrs Bhiyana Simadibrata K. my parents who brought me up to be a good person, who always encourage me to be a good doctor & a good scientist.

Mrs.C.GNJ.Tytgat who has supported & helped me in preparing this thesis in Amsterdam. Thank you for your kindness.

Drs.Stefan Tytgat & Mrs Marjolijn S. Who have helped & supported me in the preparation of this thesis. Thank you for your kindness during my stay in Amsterdam.

Ir. WP Be & Mrs Adri Besier. My uncle & aunt who have supported & helped me when I was
In the Netherlands.

Dr. Paulus Simadibrata & Dr. Christina Simadibrata. My brother & sister who always support me in preparing this thesis.

Dr. Christine Gono my wife, our children: Christophorus, Daniel Martin & Natasha Martina.

Thank you for your love and support. You have always supported me in time of sorrow and happiness.
