You will be contacted as soon as possible.
CURRICULUM VITAE

The author was born on June 20, 1945 in Amsterdam. After finishing training college (Hervormde Kweekschool, Amsterdam), she started working as a computer programmer at Sperry Univac Computer Systems (UNISYS at present) in Amsterdam in 1968. She began studying psychology in 1979 at the University of Amsterdam, and graduated in social psychology in 1986. In the following years she worked as a statistical analyst and later as a researcher at different departments of the universities of Leiden and Amsterdam. In 1996 she started the research project, which has led to this thesis, at the Adolescent Clinic of the Psychiatric Department of the Academic Medical Center in Amsterdam. At the same time she worked there as a statistical consultant and datamanager.
