— Ah, Tudo, É Simbolo —

Ah, tudo, é simbolo e analogia!
O vento que passa, a noite que esfria,
São outra coisa que a noite e o vento –
Sombras de vida e de pensamento.

Tudo o que vemos é outra coisa.
A maré vasta, a maré ansiosa,
É o eco da outra maré que está
Onde é real o mundo que há.

Tudo o que tememos é esquecimento.
A noite fria, o passar do vento.
São sombras de mãos, cujos gestos são
A ilusão mãe desta ilusão.

— Fernando Pessoa, 09.11.1932

O mistério do mundo
--- Ah, All is Symbols ---

Ah, all is symbols and analogies!
The wind on the move, the night that will freeze,
Are something other than night and a wind —
Shadows of light and of shiftings of mind.

Everything we see is something besides.
The vast tide, all that unease of tides,
Is the echo of the other tide — the sea
Alluded — there, where the world that is is real.

Everything we have's oblivion.
The frigid night and the wind moving on —
These are shadows of hands, whose gestures are the
Illusion which is this illusion's mother.

— Fernando Pessoa, 09.11.1932
