Competition Law and Environmental Protection in Europe; Towards Sustainability?
Vedder, H.H.B.

Citation for published version (APA):
Groningen: Europa Law Publishing
## Contents

### Chapter 1

**Introduction**

Introduction

### Part One

**Competition and Environmental Protection: The Search for a Model of Integration**

#### Chapter 1

**An Introduction to Integration**

An introduction to integration

#### Chapter 2

**A Legal and Economic Analysis of Competition and its Regulation**

- 2.1 Introductory remarks
- 2.2 Competition as an economic phenomenon
- 2.3 Concepts of workable competition
- 2.3.1 Workable competition
- 2.3.2 The Harvard School
- 2.3.3 Theories of *Funktionsfähigen Wettbewerb* and *Wettbewerbsfreiheit*
- 2.4 The Chicago School
- 2.5 A European concept of competition?
- 2.6 Competition and the inevitable exceptions to it

### Chapter 3

**The Evolution of Environmental Law and Policy**

- 3.1 Introductory remarks
- 3.2 The regulatory approach
- 3.3 Towards market-based instruments
- 3.3.1 The polluter pays principle from a Coasian perspective
- 3.3.2 Producer responsibility

### Chapter 4

**Integration as a Mutually Reinforcing Relation between Competition and Environmental Protection**

- 4.1 Introductory remarks
- 4.2 Competition, internalisation and lacking internalisation
- 4.3 A model of integration

### Chapter 5

**Applicability of the Model of Integration**

- 5.1 Introductory remarks
- 5.2 European competition policy – the special case of the integration principle
- 5.3 Netherlands competition policy – the special case of the indirect effect of the integration principle?
5.4 German competition law – the special case of the fear of Instrumentalisierung
5.5 The model of integration and its application

Part Two EC Competition Law and Environmental Concerns

CHAPTER 6 Introductory Remarks
Introductory remarks

CHAPTER 7 The Fundamentals of EC Competition Law
7.1 Introductory remarks
7.2 The role of competition law in the Treaty
7.3 The scope of the competition rules
7.3.1 Introductory remarks
7.3.2 Agriculture
7.3.2.1 The role of environmental concerns
7.3.3 Transport
7.3.3.1 The role of environmental concerns
7.3.4 Defence
7.4 The concept of an undertaking
7.4.1 Introductory remarks
7.4.2 A definition of the concept of a undertaking
7.4.3 The exception for non-economic activities
7.4.3.1 General remarks
7.4.3.2 The state prerogatives test
7.4.3.3 The market economy test
7.4.4 The role of environmental concerns
7.5 Effect on intra-community trade
7.5.1 Environmental concerns and the jurisdictional clause
7.6 Environmental concerns and the scope of the competition rules

CHAPTER 8 Article 81
8.1 Introduction
8.2 The Albany exception ratione materiae
8.2.1 Introduction
8.2.2 An analysis of the Albany exception
8.2.3 Environmental concerns and the Albany exception
8.2.3.1 Collective social agreements concerning environmental aspects
8.2.3.2 Collective environmental agreements outside the social sphere
## CONTENTS

8.3  Agreements and concerted practices between undertakings and decisions of associations of undertakings 135
8.4  Which have as their object or effect the prevention, restriction or distortion of competition 136
8.4.1  The object or effect 136
8.4.2  The concept of a restriction of competition 138
8.4.2.1  An introduction to appreciability 139
8.4.2.2  The quantitative concept of appreciability and environmental protection 140
8.4.2.3  The qualitative concept of appreciability and environmental protection 141
8.4.2.4  The rule of reason and environmental protection 145
8.4.2.5  Exclusivities as restrictions of competition 151
8.4.3  The connection between the object or effect and the restriction of competition 152
8.5  The concept of the compulsory cartel and environmental concerns 154
8.5.1  Introductory remarks 154
8.5.2  The concept of the compulsory cartel 154
8.5.3  The compulsory cartel and environmental concerns 155
8.6  An increased role for environmental concerns in Article 81(1)? 156
8.7  Article 81(3) – the possibility of an exemption 159
8.7.1  Introductory remarks 159
8.7.2  The requirement of technical or economic progress and the protection of the environment 161
8.7.3  The requirement of a fair share for consumers and environmental protection 170
8.7.4  The proportionality requirement and environmental protection 175
8.7.4.1  Introductory remarks 175
8.7.4.2  The application of the proportionality test to environmental agreements 176
8.7.5  The requirement of sufficient residual competition and environmental protection 181
8.7.5.1  Introductory remarks 181
8.7.5.2  The application of the residual competition test to environmental agreements 182
8.7.6  Negative effects of the integration principle 185
8.7.6.1  Introductory remarks 185
8.7.6.2  Is there a role for environmental degradation in Article 81(3)? 186
8.7.6.3 Where does environmental degradation enter into the picture?
8.7.6.4 What are the effects of taking environmental degradation into account?
8.8 Group exemptions
8.8.1 Introductory remarks
8.8.2 Group exemption benefits and environmental protection
8.9 The effects of the direct applicability of Article 81(3) EC

CHAPTER 9 Article 82
9.1 Introductory remarks
9.2 Market definition
9.2.1 The relevant product market
9.2.2 The relevant geographical market
9.2.3 The influence of environmental considerations on market definition
9.3 The dominant position in a substantial part of the common market
9.4 Abuse of the dominant position
9.4.1 Unfair prices
9.4.2 Limiting production, markets or technological development
9.4.3 Discriminatory or unfair conditions
9.4.4 Tying
9.4.5 Access to essential facilities
9.5 The objective justification
9.6 Producer responsibility organisations as natural monopolies or universal service providers

CHAPTER 10 Merger Control
10.1 Introductory remarks
10.2 An outline of the Merger Regulation and its application
10.3 Possibilities to take non-competition factors into account

CHAPTER 11 The Useful Effect Doctrine
11.1 Introduction
11.2 A general outline of the useful effect doctrine
11.3 Exceptions to the useful effect doctrine

CHAPTER 12 Article 86
12.1 Introduction
12.2 Article 86(1)
12.3 Article 86(1) in connection with Article 82
