CONNECTING INNERVATION AND INTESTINAL INFLAMMATION

Roselinde Adriana Willemze

1. The future of bioelectronics as treatment for IBD depends on finding the right nerve. *Dit proefschrift*
2. The direct anti-inflammatory effect of the vagus nerve is overestimated, focus should be on the sympathetic nervous system. *Davide Martelli (2014) en dit proefschrift*
3. The net effect of ChAT⁺ T-cells in colitis is negligible. *Dit proefschrift*
4. The neuronal environment can direct macrophage function. *Dit proefschrift*
5. Sympathetic activation should not be blocked in patients with IBD. *Dit proefschrift*
6. Er zijn dingen die niet kunnen, maar wel zouden kunnen. *Toon Tellegen*
7. De kleurrijke lucht houdt de wereld bijeen. *Per Petterson*
8. Ohne Musik wäre das Leben ein Irrtum. *Friedrich Nietzsche*
