Chapter 1  General introduction

1. Rhabdomyosarcoma with an emphasis on the head and neck region
   1.1 Epidemiology
   1.2 Histology
   1.3 Etiology and molecular genetics
   1.4 Signs and symptoms
   1.5 Diagnosis
   1.6 Clinical behaviour and prognostic factors
   1.7 Treatment
   1.8 Outcome in head and neck rhabdomyosarcoma
   1.9 The late sequelae of external beam radiation therapy in the head and neck region

2. Dilemmas in the local treatment of head and neck rhabdomyosarcoma and rationale for the AMORE protocol

3. Aims and scope of the thesis

Chapter 2  Methods of the AMORE protocol

   *Eur J Plast Surg* 2000;23:168-173

   2.1 Planning of the AMORE protocol
   2.2 The three different parts of the AMORE protocol

Chapter 3  A novel local treatment strategy for advanced stage head and neck rhabdomyosarcomas in children: results of the AMORE protocol

   *Eur J Cancer* 2003;39:1594-1602

   3.1 Introduction
   3.2 Patients and methods
   3.3 Results
   3.4 Discussion
   3.5 Summary and conclusions
   Appendix 1
   Appendix 2
Chapter 4  The AMORE protocol as salvage treatment for non-orbital head and neck rhabdomyosarcoma in children

_Eur J Surg Oncol, in press_

4.1 Introduction
4.2 Patients and methods
4.3 Results
4.4 Discussion
4.5 Conclusion

Chapter 5  Craniofacial growth of children with head and neck rhabdomyosarcoma treated according to the AMORE protocol: a quantitative analysis

_Submitted for publication_

5.1 Introduction
5.2 Patients and methods
5.3 Results
5.4 Discussion

Chapter 6  The AMORE protocol in pediatric head and neck rhabdomyosarcoma: a descriptive analysis of failure patterns

_Submitted for publication_

6.1 Introduction
6.2 Patients and methods
6.3 Results
6.4 Discussion

Chapter 7  General discussion

7.1 General principles of the AMORE concept
7.2 Technical considerations
7.3 Evaluation of results
Chapter 8  Implications for clinical practice and future research

8.1  Implications for clinical practice
8.2  Implications for future research

Chapter 9  Summary

Chapter 10  Summary in Dutch / Samenvatting

Addendum  Color illustrations
            List of publications
            Acknowledgements / Dankwoord
