Disclaimer/Complaints regulations

If you believe that digital publication of certain material infringes any of your rights or (privacy) interests, please let the Library know, stating your reasons. In case of a legitimate complaint, the Library will make the material inaccessible and/or remove it from the website. Please Ask the Library: <https://uba.uva.nl/en/contact>, or a letter to: Library of the University of Amsterdam, Secretariat, Singel 425, 1012 WP Amsterdam, The Netherlands. You will be contacted as soon as possible.

An aerial photograph of a mountainous landscape. The upper portion shows a steep, rocky slope. Below it, a dense forest covers the lower slopes. At the bottom of the image, a road and several buildings are visible, indicating a settlement or a road network. The entire image is overlaid with a semi-transparent purple filter.

Mountain Geoecosystems

GIS modelling of rockfall and protection forest structure
