### **About the provenance of the papers**

I conducted the interviews from which the data in chapter 2 derive together with Manon van der Laaken in the early nineties, during the period we were working on a project which was meant to lead to a twin PhD-thesis. Sadly circumstances made Manon change careers before we had the chance to write a proper paper on the subject and I was forced to think up a new project. I am happy that Manon likes the idea that, through writing this chapter, our hard work in transcribing and ordering the data has not been wasted.

Chapter 3 will appear in: Kramsch, C. (Ed.). *Language learning and language socialization: ecological perspectives*. New York, London: Continuum.

Chapter 4 will appear in: Ariav, T., Keinan, A. & Zuzovsky, R. (Eds.). *The ongoing development in teacher education: exchanges of ideas*. Tel Aviv: The MOFET Ins

Chapter 5 is a revised version of a paper I co-authored with Jet van Dam and which appeared in van Veen, D. & Veugelers, W. (Eds.). (1996). *Vernieuwing van leraarschap en lerarenopleiding* (pp. 179-192). Leuven: Garant.

Chapter 6 has been co-authored with Jet van Dam for the purpose of this book.
