Introduction
This survey is part of a Dutch study on the relationship between Chinese youth and mass communications. I would greatly appreciate your help by filling in this questionnaire. Completing this questionnaire is not a test and there are no 'right' or 'wrong' answers. All we ask you is that you give your opinions as frankly and honestly as you can. Although we ask you to provide details of your household, your complete confidentiality is guaranteed since your name will not appear on the questionnaire. All your answers will be dealt with in absolute confidence.
Thank you very much for your co-operation.
