### Table of Contents

#### Chapter 4. Grassland bird surveying: methodological issues
- Introduction: 39
- Study areas: 39
- Methods: 40
- Results: 41
  - Species accretion study: 41
  - Right sample for analysis: 44
- Discussion: 59

#### Chapter 5. Bird community structure in grasslands of lowland Nepal
- Introduction: 61
- Study areas: 62
- Materials and methods: 62
  - Field Work: 62
  - Data Analysis: 64
- Results: 67
  - Environmental variables: 67
  - Grassland bird survey: 74
- Classification: 84
- Discussion: 101
  - Spatial pattern in bird community composition: 101
  - Temporal variation in bird community composition: 106

#### Chapter 6. Spatio-temporal variation in grassland bird communities in lowland Nepal: specific habitat associations
- Introduction: 111
- Study areas: 112
- Materials and methods: 112
  - Field work: 112
  - Data analysis: 113
- Results: 114
  - Species associations: 114
    - Habitat structure and species associations: 114
    - Grassland assemblages and species associations: 147
    - Spatial variations in species associations: 157
- Discussion: 157

#### Chapter 7. Spatio-temporal variation in grassland bird communities in lowland Nepal: effects by grassland management
- Introduction: 161
- Materials and methods: 162
  - Study areas: 162
  - Methods: 162
  - Data analysis: 163
- Results: 164
  - Variation in space and time: 164
  - Variation between parks: 165
  - Management: 168
  - Grass height: 179
- Discussion: 180
