Foreword xxv

VOLUME I

1. DYNAMICS IN PASTORAL LIVELIHOODS: SEDENTARISATION, AGRO-PASTORALISM AND CHANGES IN NATURAL RESOURCE MANAGEMENT IN NORTHERN KENYA 1
   Objectives of the study 2
   Attitudes towards pastoralists and their mobility 3
   From an economy-based to an identity-based definition of pastoralism 13
   Livelihoods: managing poverty and wealth 16
   Outline of the book 20

2. THEORETICAL ORIENTATION: THE COMPONENTS OF PASTORAL LIVELIHOODS 23
   The context: vulnerability and transformation 23
   The capitals 27
   Institutions and organisations determining access to resources 32
   Livestock and additional livelihood strategies 40
   Conclusion 43

3. METHODOLOGY USED 45
   The household as a unit of analysis 45
   The reasons for choosing the study area 47
   Sample procedures 47
   Methods of data collection 54
   Main data types at household level 60
   Other data 64
   A reflection on the dynamics in ethnic identities 69
   Limitations of the study: causes and consequences 75
4. INTRODUCTION TO THE STUDY AREA  
   The physical location of Marsabit District  
   Climate  
   Livestock  
   Other natural capital  
   Human capital  
   Physical capital  
   Sources of livelihood  
   Social institutions that determine access and management of resources  
   Conclusions

5. SETTLING ON THE SLOPES OF MARSABIT MOUNTAIN  
   History of early settlements and sedentarisation on Marsabit Mountain  
   Present villages on Marsabit Mountain  
   Main characteristics of currently settled households on Marsabit Mountain  
   Wealth differences per village  
   'Belonging to the world of development': the perception of villagers on the 
   sedentarisation process  
   Conclusions

II. RESOURCES AND RESOURCE DYNAMICS

6. ACQUISITION OF LAND ON MARSABIT MOUNTAIN  
   How land is obtained  
   Household characteristics and land acquisition  
   Differences in land holdings  
   The role of the land committee in conflicts about land  
   Conclusions

7. HOUSEHOLD ANIMAL HOLDINGS IN MARSABIT DISTRICT  
   Household animal ownership  
   Factors affecting household differentiation in livestock ownership  
   Household herd size differentiations  
   Herd wealth in Tropical Livestock Units (TLU)  
   Changes in households' TLU ratios throughout time  
   Conclusions

8. WATER ACCESS, USE AND MANAGEMENT  
   Water resources in Marsabit District  
   Water scarcity and water investments on Marsabit Mountain in the colonial era  
   Overview of current wells and other water sources on Marsabit Mountain

Conclusions
Appendix 3.1

Page dimensions: 470.0x686.3
Water management in Marsabit town 289
Water source management regimes among the Borana-speaking communities on Marsabit Mountain 290
Well ownership and management among the Samburu and the Rendille 300
Management of water sources on Marsabit Mountain other than wells 301
Management issues in the lowlands 303
Domestic water use at household level 316
Conclusions 324
Appendix 8.1 328

An overview of protected areas in Marsabit District 333
The protected area of Marsabit Forest Reserve 343
The economics of protected areas 356
Current conservation concerns about the forest 368
Past conservation efforts and current resource flows of Marsabit forest 374
Conclusions 377

VOLUME II

III. LIVESTOCK AND ADDITIONAL LIVELIHOOD STRATEGIES 379

10. LIVESTOCK PRODUCTION AND TRADE 381
Livestock production dynamics in a national perspective 382
Trends in livestock production in Marsabit District 387
The economics of livestock trade 398
Household trade in milk 414
Trends in livestock trade 423
The future prospects for livestock trade 433
Conclusions 442

11. HERD SHARING, HERD DIVERSIFICATION AND HERD TRANSFERS: THE ANIMAL TRUST SYSTEM AS AN INDIGENOUS SOCIAL INSTITUTION OF SELF-INSURANCE 447
The animal trust system and ownership rights over animals 450
The structure of herd ownership rights 456
Measures of herd tenure diversity 463
Herd ownership rights and marketed off-take 476
Recent inter-household herd transfers 479
Social relationships in herd transfers 490
Conclusions 498

12. FARMING PERFORMANCE ON MARSABIT MOUNTAIN 505
Trends in farm land and arable farming in Marsabit District 506
