Contents

SECTION I; INTRODUCTION AND TECHNIQUES

1. Introduction

2. Surgical treatment of atrial fibrillation; a systematic review
   European Journal of Cardio-Thoracic Surgery, in press
   Khargi K, Hutten BA, Lemke B, Deneke Th

3. Considerations regarding energy sources, techniques and pitfalls in the treatment of atrial fibrillation as a concomitant surgical procedure
   Submitted
   Khargi K, Lemke B, Deneke Th

SECTION II; SALINE-IRRIGATED COOLED-TIP RADIOFREQUENCY ABLATION

4. Saline-irrigated, cooled-tip radiofrequency ablation is an effective technique to perform the Maze procedure; a prospective randomized study
   Khargi K, Deneke Th, Lemke B, Haardt H, Müller KM, Laczkovics A

5. Irrigated radiofrequency ablation is a safe and effective technique to treat atrial fibrillation; a cohort study comprising 124 consecutive patients
   Khargi K, Deneke Th, Lemke B, Laczkovics A

6. Left atrial versus bi-atrial Maze procedure using intraoperative cooled-tip radiofrequency ablation in patients undergoing open heart surgery; safety and efficacy
   Journal of American College of Cardiology JACC 2002; 39: 1644-50

SECTION III; PATIENTS’ INDICATION AND SELECTION

7. Anti-arrhythmic procedures to treat permanent atrial fibrillation in CABG and AVR patients are as effective as in mitral valve patients
   Oral presentation at the annual meeting of the European Association of Cardio-Thoracic Surgery EACTS September 2004, Leipzig, Germany
   Submitted
   Khargi K, Lemke B, Deneke Th

9. Concomitant anti-arrhythmic procedure in combined valve(s) and CABG high risk patients. *Presentation at the 34th annual meeting of the German Society for Thoracic and Cardiovascular Surgery* February 2005, Hamburg, Germany  
Submitted  
Khargi K, Lemke B, Mügge A, Laczkovics A, Deneke Th

SECTION IV; POSTOPERATIVE CARE AND COMPLICATIONS

Submitted  
Deneke Th, Khargi K, Grewe PH, Lemke B, Mügge A, Laczkovics A, Becker AE, Müller KM

Laczkovics A, Khargi K, Deneke Th

Khargi K, Laczkovics, Müller KM, Deneke Th

Deneke Th, Khargi K, Mügge A, Laczkovics A, Lemke B

SECTION V; SUMMARY, CONCLUSIONS AND RECOMMENDATIONS

14. Summary, conclusions and recommendations

15. Nederlandse samenvatting, conclusies en aanbevelingen

16. Acknowledgments

17. Curriculum Vitae
