Prof. dr. E.M. Hol

Prof. dr. C.M.A. Pennartz

Prof. dr. E.J.A. Scherder

Faculteit der Natuurwetenschappen, Wiskunde en Informatica

Nothing in life is to be feared, it is only to be understood. Now is the time to understand more, so that we may fear less.

Marie Curie

The research described here was carried out at the Center for Neuroscience, Swammerdam Institute for Life Sciences, University of Amsterdam and the Laboratory of Neurosciences, National Institute on Aging, National Institutes of Health USA.

Financial support was provided by European Union through the NEURAD PhD Graduate School (MEST-CT-2005-020013) and Internationale Stichting Alzheimer Onderzoek (ISAO).
