Correction to: *Nature Communications* <https://doi.org/10.1038/s41467-019-08518-1>, published online 1 Feb 2019.

The original version of this Article contained an error in the right-hand y -axis of Fig. 2c, which incorrectly read ' $S/2e$ (pA)'. The correct version states 'nA' in place of 'pA'. This has been corrected in both the PDF and HTML versions of the Article.
