

Erratum

IN THE ARTICLE by Pronk and colleagues, “Validation of the Amsterdam Beverage Picture Set: A Controlled Picture Set for Cognitive Bias Measurement and Modification Paradigms,” 2015, 39:2047–55, the labels for active and passive pictures in Figure 1 are reversed: “active” is at the top and “passive” at the bottom, where it should be “passive” at the top and “active” at the bottom. We apologize for this error.
