Promotores: Professor M.A. Benninga, Universiteit van Amsterdam
Professor G.R.A.M. D'Haens, Universiteit van Amsterdam

Copromotor: Professor R.R. van Rijn, Universiteit van Amsterdam
Dr. B.G.P. Koot, Universiteit van Amsterdam

Overige leden: Professor C.Y. Ponsioen, Universiteit van Amsterdam
Professor J. Stoker, Universiteit van Amsterdam
Professor F.A. Wijburg, Universiteit van Amsterdam
Professor E.H.H.M. Rings, Universiteit van Leiden, Erasmus
Universiteit
Dr. M. Duijvestein, Radboud Universiteit
Dr. P.F. van Rheenen, Rijksuniversiteit Groningen

Table of Contents

Chapter A – General Introduction & Thesis Outline	9
Part I: Non-invasive monitoring strategies	25
Chapter 1: Non-radiologist-performed abdominal point-of care ultrasonography in paediatrics — a scoping review.....	27
Chapter 2: Bowel ultrasound measurements in healthy children – a systematic review and meta-analysis.....	57
Chapter 3: Diagnostic Accuracy of Transabdominal Ultrasound in detecting intestinal inflammation in paediatric IBD patients – a systematic review.....	75
Chapter 4: The child’s perception on monitoring Inflammatory Bowel Disease activity.....	95
Chapter 5: Assessing disease activity in paediatric Crohn’s disease using ultrasound: the Paediatric Crohn’s Disease Intestinal Ultrasound score (PCD-US).....	109
Chapter 6: Intestinal ultrasound to assess ulcerative colitis disease activity in children: external validation and comparison of two intestinal ultrasound activity indices.....	131
Chapter 7: A healthcare professional can be trained to perform intestinal ultrasound in children with Inflammatory Bowel Disease.....	145
Chapter 8: Point-of-care ultrasound provides useful information in children with Crohn’s Disease visiting the outpatient clinic.....	161
Chapter 9: Can two different fecal calprotectin assays be used interchangeably in IBD treatment?.....v.....	175

Part II: Non-invasive strategies for Infliximab infusions	187
Chapter 10: Premedication with intravenous steroids does not influence the incidence of Infusion Reactions following Infliximab Infusions in pediatric Inflammatory Bowel Disease patients – a case-control study.....	189
Chapter 11: Safety of rapid Infliximab infusions in children: a systematic review.....	203
Chapter Z: Thesis Summary and General Discussion	215
Thesis summary.....	216
General discussion.....	220
Nederlandse samenvatting.....	228
Appendix	233
Contributing Authors.....	234
List of Publications.....	236
PhD Portfolio.....	238
Dankwoord.....	242
Curriculum Vitae.....	246
