CONTENTS

Chapter 1 11
Introduction

Chapter 2 19
Sentinel lymph nodes

BREAST CANCER 26

Chapter 3 29
Axillary recurrence after a tumour-negative sentinel node biopsy in breast cancer patients: a systematic review and meta-analysis of the literature

Chapter 4 45
Axillary and extra-axillary lymph node recurrences after a tumour-negative sentinel node biopsy for breast cancer using intra-lesional tracer administration

Chapter 5 57
Breast cancer patients with extra-axillary sentinel nodes only may be spared axillary lymph node dissection

Chapter 6 67
Lymphatic drainage patterns from the treated breast

Chapter 7 81
Lymphatic drainage patterns in breast cancer patients who previously underwent mantle field radiation
MELANOMA

Chapter 8
Comparison of three micromorphometric pathology classifications of melanoma metastases in the sentinel node

Chapter 9
Is completion lymph node dissection needed in case of minimal melanoma metastasis in the sentinel node?

Chapter 10
A tumour-positive sentinel node biopsy of the groin in clinically node-negative melanoma patients: superficial or superficial and deep lymph node dissection?

Chapter 11
Evaluation of lymphatic drainage to the groin in patients with melanoma and the implications for the extent of a completion dissection
SPECT/CT

Chapter 12
The additional value of SPECT/CT in lymphatic mapping in breast cancer and melanoma

Chapter 13
The hybrid SPECT/CT as an additional lymphatic mapping tool in breast cancer patients

Chapter 14
The hidden sentinel node and SPECT/CT in breast cancer patients

Chapter 15
The yield of SPECT/CT for anatomical lymphatic mapping in patients with breast cancer

Chapter 16
The yield of SPECT/CT for anatomical lymphatic mapping in melanoma patients

Chapter 17
Three-dimensional anatomical visualization of sentinel nodes in breast cancer and melanoma using volume-rendering of fused SPECT/CT images

Chapter 18
Visualization of tumour-blockage and rerouting of lymphatic drainage in penile cancer patients using SPECT/CT

Chapter 19
Summary and conclusions, Samenvatting, Resumen, Future perspectives

Chapter 20
Dankwoord, Curriculum vitae, Publications, Presentations
