Vragen voor het semigestructureerd interview naar overgave aan God

Questions for semi-structured interview surrender to God

1. Wat is jouw wil binnen de behandeling van verslaving?

What does your will mean within the treatment of addiction?

The individual has entered treatment with a certain goal in mind. He/she is intrinsically motivated by both explicit and implicit motives to achieve their goal motivated by their own will.

2. Wat betekent voor jou Gods wil binnen de behandeling van verslaving?

What does God's will mean for you within the treatment of addiction?

The individual might be extrinsically motivated by his/her beliefs of what God's will is when considering addiction.

3. In hoeverre is Gods wil doen, jouw wil doen?

In how far is considering Gods' will in accordance with your own will?

The individual might be intrinsically motivated to align their will with God's will. Or they might experience God's will as an extrinsic motivation for the goals they aim to attain.

4. Wat is het gevolg van jouw wil doen zonder Gods wil?

What are the consequences of considering your own will without God's will?

The individual might not consider God's will as a motivation at all. Especially if the costs of considering God's will is too high in their motivation to achieve their goals.

5. Wat is het gevolg van Gods wil doen?

What are the consequence of considering God's will?

The individual might consider their own will as a motivation at all. Especially if the costs of considering their own will is too high in their motivation to achieve their goals.

6. Wat versta je onder overgave aan God?

What do you associate with surrender to God?

The individual might not consider their own motivation intrinsically or extrinsically at all when wanting to achieve their goals, but rather surrender their will to God's will. Or they might not want to surrender at all and achieve their goals on their own merit and from their own motivation.
